Dear Students and Parents,

We would like to emphasize the importance of wearing *appropriate* dancewear to class. We request that students NOT wear oversized t-shirts, shorts, pants, etc. as it is important that the instructors be able to check for proper body alignment during class. Please make sure your child's hair is pulled back either in a ponytail, braid, or bun. Hip Hop classes are allowed to wear comfortable, but not super baggy clothes.

In the winter months, it is important to wear a coat *and shoes* to and from class.

Parents, please check with your child to make sure they have not left any items in class. Also, be sure to label all dance shoes, bags, and cover-ups, etc. with your child's first and last name to avoid lost items.

RECITAL COSTUMES

If you are paying out your Recital costumes, the final payment is due Monday, November 30th. Please remember that if your costume payment is not paid in full, costumes cannot be ordered.

TUITION

We would like to state once again that our monthly tuition is based on an average of 4 weeks per month. We do not subtract for months with only 3 weeks, nor do we add for months with 5 weeks.
