Dear Students and Parents,
If a student is interested in auditioning for our Dance Competition Team, they should express their interest to their dance instructor. The instructors are able to advise their students as to their potential as a dance company member, and to recommend additional classes or areas of concentration that would be helpful for that student. Auditions are held annually in the summer.

RECYCLING

The Pat Riddle Booster Club is collecting items for the "Cartridges for Kids" recycling program. The Competition Teams will collect empty laser & inkjet cartridges, used cell phones laptops, PDAs, GPS systems and IPODs to earn money for their National Dance Competition this summer. Look for the zebra striped collection bin in the Lobby.

Also available are gift certificates for dance lessons. Give someone the gift of dance for Christmas!

SPECIAL NEEDS

Parents please notify your dance instructor regarding any special needs your child may have. Some examples are: they may have had a previous or current injury that may cause discomfort, your child has a problem with their attention, or they simply may be having a bad day as a result of something at home or school. Please communicate these issues with the instructors, preferably in writing, since time is limited between classes. This communication will help your instructors to better handle your child when issues arise.
