IMPORTANT- PLEASE READ!

Everyone by now should know that the monthly tuition is due by the first of every month. As a courtesy, we give you a 10 day grace period to pay and not incur a \$15.00 late fee. Unfortunately, we are having a terrible time with tuition payments being late. Every month at least 100 accounts are past due. Please understand that because of this problem absolutely no late fees can be waived. We understand that perhaps you have never been late in the past, or your child was sick the week tuition was due, but understand that at least 100 of you have the same issues every month. We offer a credit card service for payments through our website @ patriddle.com. Though there is a small fee (3%) incurred when you use the PayPal service, I think you will find it less expensive than the \$15.00 late fee on some amounts charged. Many people are using the automatic bill pay with their banks, and there is always the U.S. mail service. We hope you can understand our position on this matter, and if not we will be happy to discuss it with you further.
